

Neodesha After School Program

The After School Program (ASP) provides an opportunity for elementary students to complete homework and participate in enrichment activities of their choice. We are fortunate to offer activities that students may not get to regularly participate in during the normal school day. Some enrichment club activities might include Chess, violin, cooking, STEM (Science, Technology, Engineering, & Mathematics), Legos, Rubik's Cubes, Write Brain, art appreciation, arts & crafts, games, Spanish, science fair, robotics, and scrapbooking. Please enroll on-line or look for the ASP booth at enrollment to sign your child up for the program.

Enrollment Date: August 7th

Grades: Kindergarten - 6th

Days & Times: Monday - Thursday from 3:25 pm - 5:25 pm

Starting Date: Monday, August 26, 2019
