

Testing Snapshot

Various tests are used by USD 461 for the district wide testing programs. The tests are used to assist in curriculum planning and to aid classroom teachers in determining study areas which may need additional work. North Lawn also administers all student assessment programs required by the State of Kansas.

Tests used:

- Scholastic Reading Inventory
- STAR Reading & Math
- FastBridge
- State Assessments

Have you heard of the Neodesha Promise?

Your Future, Our Promise

The Neodesha Promise Scholarship Program is designed to enhance Neodesha students' preparation for successfully completing their chosen post-secondary education pathway. The program will provide enabling financial support via meaningful scholarship awards to qualifying Neodesha High School graduates and also provide other resources and support services necessary to maximize the Promise program's effectiveness. We envision many more students taking advantage of post-secondary educational opportunities and hopefully also enhancing the Neodesha community as an attractive place to live and work.

ABOUT NORTH LAWN

North Lawn Elementary is a 4th-6th grade building, which has an enrollment of approximately 170 students along with 24 faculty/staff members. We also house our K-6th Functional classes in this building. It is our mission at North Lawn Elementary to work together to promote and support both our 5 guiding principles and our school district's mission. We will accomplish this mission by being responsible and caring in our efforts, expecting high student achievement from all students, and promoting high self-esteem with a positive school climate.

Our purpose is preparing our students for success through the efforts of school, home and community. We have a caring, competent, and committed staff, which strives to make sure that every student reaches their potential and believe that high expectations produce high results.

Our students are ultimately responsible for their success.

Come anytime to witness the positive and productive things happening at North Lawn Elementary.

5 Guiding Principles

Students' responsibility begins with good attendance, class participation, and includes making quality decisions using our 5 guiding principles:

1. I am responsible for my actions.
2. I show respect and courtesy for myself and others.
3. I contribute to a positive learning environment.
4. I strive for excellence.
5. I leave it better than I found it.
